United Way of America – Pennies for Change Program Member Agreement

I agree to participate in the United Way of America Pennies for Change Program. By signing below, I agree to donate a penny for each signature based transaction made using my FORUM ATM debit card. Transactions made entering my personal identification number (PIN) are not eligible. I understand the donation will be withdrawn from my share draft checking account on the last day of the month. If I sign up for the program anytime during the month, the donation will be based upon transactions from the first day of the month. This agreement is voluntary and I can withdraw from the program at any time by writing or telephoning the Credit Union.
