DO YOU USE APPS & OTHER SAVING STRATEGIES?

WHY USE APPS?

- Best discounts & deals
- Easier to "clip" coupons
- Rebate and other rewards apps available

RESEARCH FOR BEST PRICE

- Even everyday items should be price compared
- Change shopping habits to involve more stores
- Search will likely generate more deals

HOW TO SAVE ON GROCERIES

- Start with a meal plan to make grocery list
- Use apps from stores to clip coupons
- Don't deviate from the list even for sale items

OTHER WAYS TO SAVE

- Wait for major sales events for appliance/electronics
- Check outlet stores for high value clothes/accessories
- Always use discounts available (student, senior, military, etc.)
